vitch, and a northern army under Ueneral Baron Stackelburg. Any idea that General Kuropatkin's arrival will be signalized by usgressive tactics is discouraged in the highest military circles, where attention is called to the zeneral's repeated injunctions—patience, patience, patience.

"We can afford to wait whether or not the Japanese can," is the sentiment among the believers in General Kuropatkin, He expects to force the Japanese to fight blim on grounds of his own choosing. There will be no forward movement into Korea. On the contrary, the Russians at the Yalu are now screening their concentration to the westward and they probably will retire as the Japanese advance in force, harassing and retarding them as much as possible until the proper time to uncover the main Russian army.

The Russians also express much more satisfaction at the present situation at Liao-Tung. The forces on the peninsula have been reinforced to an extent which will render a Japanese landing there difficult, if not impossible, and the garrison at Port Arthur has been amply provisioned to withstand a siege. So far as the peninsula is concerned the preparations there may now be regarded as complete.

CHARLOTTESVILUE, VA., Match 24.—

The college base-ball season opened here this afternoon, Virginia defeating Randolph-Macon four to nothing, in Leake the visitors had a clever twirler, who kept his ten hits well seaftered. Pollard, quarterback on the 'Varsity foot-ball eleven, made his debut in the box for Virginia. Only two hits were secured off his delivery, one a scratch. Eleven of the opposite batsmen were retired on strikes, and not a man walked. Captain Stearns led with the stick, getting three slashing singles. The Methodists put up a clean fielding game, the backstop work and accurate throwing of Cross proving a feature of the contest.

The nearest the Ashland boys came to scoring was in the seventh linning. Cross was safe at first on a slow one in the necessary bit was not forthcoming. In the ninth inning Brent's pretty throw in, catching Pollard at the home plate, was applauded. A close decision in the second linning robbed Lipscomb of a hit Randolph-Macon has the best all-'round team that Virginia has net this season.
